

Department of State

§ 62.70

upon the filing of the past due management audit.

(e) *Change in ownership or control.* An exchange visitor program designation is not assignable or transferable. A major change in ownership or control automatically terminates the designation. However, the successor sponsor may apply for designation of the new entity, and it may continue to administer the exchange visitor activities of the previously-designated program while the application for designation is pending before the Department of State:

(1) With respect to a for-profit corporation, a major change in ownership or control is deemed to have occurred when one third (33.33%) or more of its stock is sold or otherwise transferred within a 12-month period;

(2) With respect to a not-for-profit corporation, a major change of control is deemed to have occurred when 51 percent (51%) or more of the board of trustees or other like body, vested with its management, is replaced within a 12-month period.

(f) *Non-compliance with other requirements.* A sponsor fails to remain in compliance with Federal, State, local, or professional requirements necessary to carry out the activity for which it is designated, including loss of accreditation, or licensure.

(g) *Failure to apply for redesignation.* A sponsor fails to apply for redesignation, pursuant to the terms and conditions of § 62.7, prior to the conclusion of its current designation period. If so terminated, the former sponsor may apply for a new program designation, but the program activity will be suspended during the pendency of the application.

§ 62.61 Revocation.

The Department may terminate a sponsor's program designation by revocation for cause as specified in § 62.50. Such sponsor may not apply for a new designation for five (5) years following the effective date of the revocation.

§ 62.62 Termination of, or denial of redesignation for, a class of designated programs.

The Department may, in its sole discretion, determine that a class of des-

ignated programs compromises the national security of the United States or no longer furthers the public diplomacy mission of the Department of State. Upon such a determination, the Office shall:

(a) Give all sponsors of such class of designated programs not less than thirty (30) days' written notice of the revocation of Exchange Visitor Program designations for such programs, specifying therein the grounds and effective date for such revocations; or

(b) Give any sponsor of such class of designated programs not less than thirty (30) days' written notice of its denial of the sponsor's application for redesignation, specifying therein the grounds for such denial and effective date of such denial. Revocation of designation or denial of redesignation on the above-specified grounds for a class of designated programs is the final decision of the Department.

§ 62.63 Responsibilities of the sponsor upon termination or revocation.

Upon termination or revocation of its program designation, a sponsor must:

(a) Fulfill its responsibilities to all exchange visitors who are in the United States at the time of the termination or revocation; and

(b) Notify exchange visitors who have not entered the United States that the program has been terminated or revoked, unless a transfer to another designated program can be obtained.

Sponsors shall update the actual and current U.S. address information for participants within 21 days of being notified by a participant of a change in his or her address. A sponsor's failure to update the actual and current U.S. address information within 21 days of receipt may be grounds for revocation of their Exchange Visitor Program status. Sponsors shall report a U.S. mailing address, *i.e.*, P.O. box address, in those limited circumstances where mail cannot be delivered to the current and actual U.S. address. If a U.S. mailing address is reported to SEVIS, sponsors shall also maintain a record of the actual and current U.S. address, *e.g.*, dorm, building and room number, for that exchange visitor.

(c) *Notification to program participants.* Sponsors shall notify all participants in their exchange visitor program and accompanying spouse and dependent children that any change in the U.S. address must be reported to the sponsor within 10 days of such change. Sponsors may direct the participant to provide the notification of change in address in a format acceptable to the sponsor.

(d) *Validation of program participation.* Sponsors shall within 30 calendar days of a program participant's start date verify that the participant has in fact
